

Login Instructions to Create a New user Account And to Add a Consortium

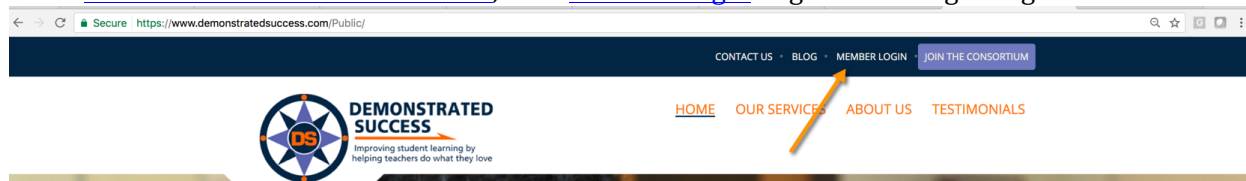

Login and Register at www.DemonstratedSuccess.com

There are a few easy steps to login & join the Demonstrated Success community (see screen shots below).

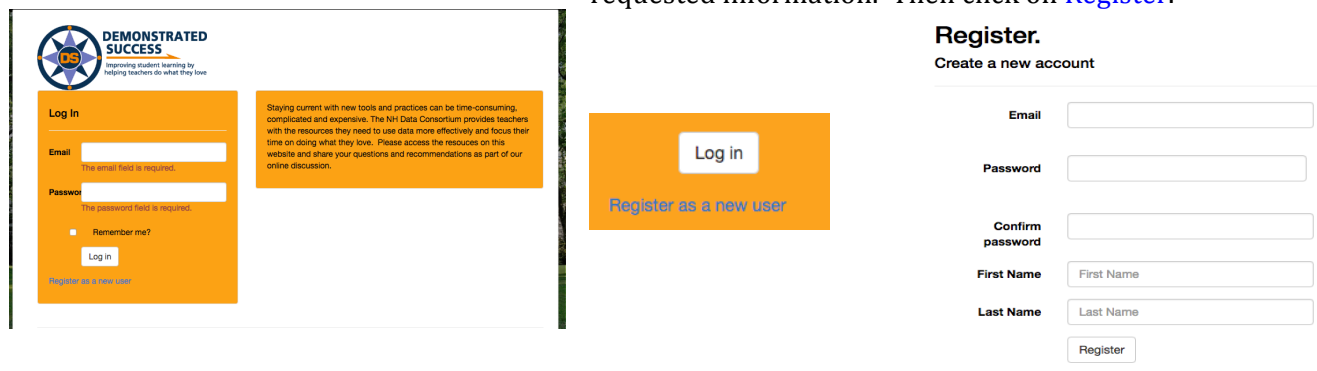

1. Visit www.DemonstratedSuccess.com. Choose 'Member Login' to access or create an account.
2. Once you have created an account, you need to confirm the account via your email.
3. You are all set! Explore the discussions, resources and add your own!!
4. You can add additional 'consortium' with a valid registration code.

1. Create and Account

From www.DemonstratedSuccess.com, click [Member Login](#) to get to the Login Page

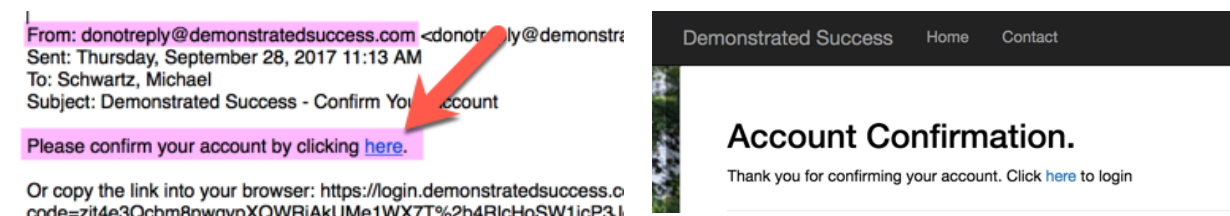

At the login page, click on the blue writing: [Register as a new User](#). On the registration screen, enter the requested information. Then click on [Register](#).

2. Confirm Your Account (via an automated email sent to your email address)

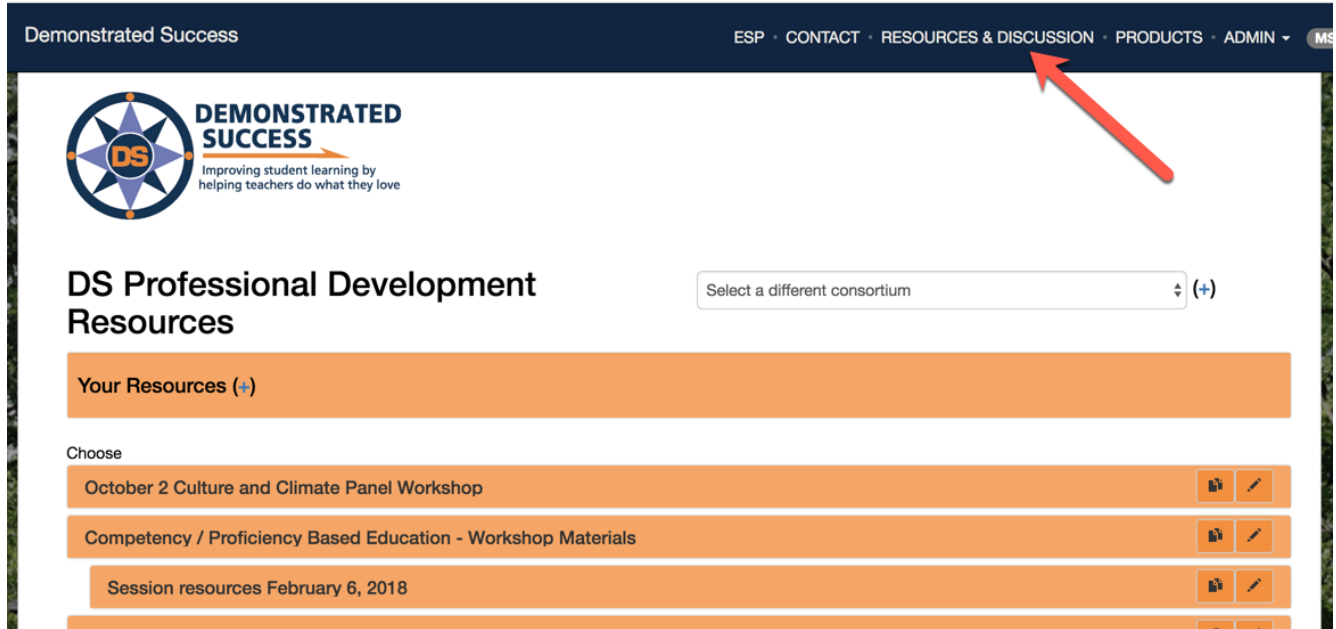

After step 1, please check your email. You will receive an email with a link to confirm your account. Click the link to confirm. You can then login for continued access. (see below)

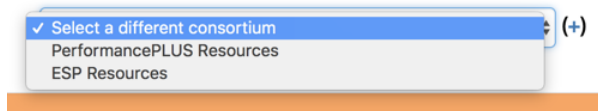

3. View Your Consortium under Resources & Discussions

Click “Resources & Discussions” to view materials for your Consortium.

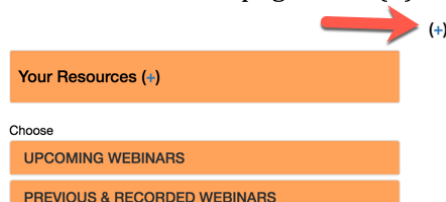

If you have access to multiple consortiums, click on the drop-down to select a given consortium. You can then view the specific resources and discussions, for that Consortium.

4. Add a Consortium (If you were given a registration code for a private consortium)

On the “Resource” page, click (+) to add a consortium.

You will need a registration code.
